WEIRD SCIENCE

1 BLACK SCREEN

1

A somber SUPER crawls up:

"WHAT YOU ARE ABOUT TO SEE IS A TRUE
STORY."

We HEAR the CLAP of THUNDER.

"THE INCIDENTS DEPICTED WERE DRAWN FROM
POLICE FILES, EYEWITNESS REPORTS..."

We HEAR the HUM of a GENERATOR.

"...AND NOTES PASSED BETWEEN CLASSES
AT DWIGHT DAVID EISENHOWER HIGH SCHOOL
IN SHERMER, ILLINOIS."

We HEAR the SIZZLE of ELECTRICITY.

"THE NAMES HAVE NOT BEEN CHANGED TO
PROTECT THE INNOCENT..."

A startling CRASH of HORROR MUSIC.

"... FROM THEIR PARENTS."

2 CLOSEUP - TELEVISION SCREEN

2

A clip from the original Frankenstein. Dr. Frankenstein and his assistant trudge through the graveyard in search of a corpse.

3 CLOSEUP - BOYS' FACES - WYATT DONNELLY AND GARY WALLACE

3

Their faces are illuminated by the light of the TV. These guys are MTV fanatics, hardware maniacs, heavy indoor guys. They're wearing pajamas and tube socks. They're completely absorbed in the film.

4 INT. WYATT'S FAMILY ROOM

4

It's upscale and attractive. Open-beam ceiling, bar, seating groups. Big screen TV, entertainment toys. Gary and Wyatt are sitting on the edge of a coffee table watching the movie. The lights are out.

WYATT

This isn't very scary, Gare. I Spit
On Your Grave was scary. This is...

He stops talking to study the action on the screen.

5 CLOSEUP - TV SCREEN

5

The wicked face of Igor, the hunchback.

6 GARY AND WYATT

6

Wyatt turns to Gary.

WYATT

(timidly)

Very mild stuff. Timid. It's old.
The old stuff is more funny than scary.
The word, I think is camp. It's camp.

Gary turns to Wyatt. He's annoyed.

GARY

It must be scaring you, Wyatt, or else
you wouldn't be talking so much.

Gary turns back to the screen.

WYATT

Not necessarily. I'm just making a
comment. You don't think it's campy?
It's bordering on the...

Gary turns slowly to Wyatt and points a finger in his face.

GARY

You're pissing me off.

They go back to the screen. Wyatt half-shuts his eyes, ready
to slam them closed in an instant.

7 TV SCREEN

7

A body hangs from the gallows.

8 CLOSEUP - WYATT AND GARY

8

Wyatt's watching. Gary's turned away. Now he's scared.

GARY

You're right. This is camp. Total
camp. Dawn of the Dead was scary.
I rented the tape in the eighth grade
and it spooked me so bad I called my
grandmother and talked to her for like
four hours about my childhood.

Wyatt's annoyed. He's watching intently now.

WYATT

Shut-up Gary.

9 INT. KITCHEN - LATER

9

A big, modern kitchen with an island range. Gary's making Jiffy Pop on one side, Wyatt's melting butter in a saucepan on the other side. Frankstein continues on a portable kitchen set.

GARY

It would have been a little cooler if Doctor Frankenstein made a girl.

(looks in the saucepan)

Don't burn the butter. You always burn the butter.

(continues)

I personally, would have made a girl.

WYATT

(sincere)

What would you do with a girl?

GARY

I wouldn't be making popcorn, pally.

WYATT

They did make a girl. The Bride of Frankenstein. Universal Studios. 1935.

Gary thinks for a moment. He recalls the movie.

GARY

It was 1934 and the woman was a skag.

WYATT

That's true but if they made her cute, she'd never go out with the monster.

GARY

Your aunt, what's her name, Phoebe?

WYATT

Ava.

GARY

From Michigan?

WYATT

Germany.

GARY

She reminds me of The Bride of Frankenstein. No offense.

Gary leans across and looks in the sauce pan. Wyatt swirls the butter.

9

WYATT

The butter's fine. Gare. Don't get your tits in an uproar.

GARY

Yeah? What happened when you heated up the pizza after school, huh?

WYATT

(sheepish)

That was an accident.

GARY

The Tater Tots?

WYATT

Who threw out the box that had the instructions on it?

GARY

I'm talking about fucking up the Tater Tots. Who fucked up the Tater Tots?

WYATT

Who threw out the box?

GARY

What box?

WYATT

The Tater Tot box.

GARY

Well, since you're on the rag this bad, Wyatt, I think I'll just leave, alright? I could've had a date tonight. A formal date... movies... dinner...

WYATT

Oh, right. With who?

GARY

You don't know her. She lives in Canada.

WYATT

Oh, yeah? What's her name?

GARY

(long pause)

Cherry. She's nineteen and she has no morals, okay?

9

WYATT
You're lying to me. I can tell. You
always chew your lip.

Gary stops chewing his lip.

GARY
Watch the butter.

13 TV SCREEN

13

The grave robbers pry the lid off a coffin.

14 INT. KITCHEN

14

Wyatt and Gary are watching, not paying attention to the butter
or the Jiffy Pop. Suddenly, the butter bursts into flames and
the Jiffy Pop EXPLODES. The tinfoil top bulges and blows
popcorn all over the kitchen. Gary and Wyatt jump three feet
in the air and come down in karate stances, yelling and slicing
at the air.

15 INT. WYATT'S BEDROOM

15

Wyatt's sitting on the bed. Gary's in the bathroom doing a
little mole analysis, zit trolling, facial hair counting.
Music's playing softly. The movie continues on a portable TV in
the room. Wyatt has a bowl between his knees. He's picking
through the popcorn looking for uncharred kernels.

GARY (O.S.)
Where'd your parents go anyway?

(CONTINUED)

15 CONTINUED

15

WYATT
Cincinnati. They're meeting the guy
my sister wants to marry.

GARY (O.S.)
(repulsed)
Who'd marry Chloe? No offense.

WYATT
He's studying to be a veterinarian.
Gary thinks. Wyatt thinks the same thing.

GARY (O.S.)
How come they all of a sudden trust
you?

WYATT
They don't.
(pause)
Chet's home from college for the
weekend. They trust him. He's in
charge.

16 INT. BATHROOM

16

Gary's gingerly shaving his upper lip.

GARY
I wish you'd told me this before I
agreed to sleep over. Chet's a lunk.
No offense. How do you put up with
him?

WYATT (O.S.)
If I don't, he beats the shit out of
me.

Gary sets down the razor, rubs his upper lip, checks it in the
mirror and walks out of the bathroom.

GARY
Nice relationship.

17 INT. BEDROOM

17

Wyatt's watching the movie. He sets the bowl of popcorn on the
nightstand.

WYATT
I'd give her a real full bustline.

(CONTINUED)

GARY

Bustline?

Gary looks at him, puzzled. Wyatt motions to the TV.

WYATT

If I was gonna make a girl.

Gary sits down and picks up the bowl of popcorn and starts digging through the charred kernels.

GARY

You don't want huge titties. They went out like a year ago.

WYATT

How would you know?

GARY

I read Vogue when I get my hair cut.

They turn their attention back to the movie. Gary's thinking. An idea comes to him. He slowly turns to Wyatt and smiles.

GARY

(continuing)

That's not a bad idea, you know.

WYATT

Reading Vogue when you get a hair cut?

GARY

Making a girl. Actually make a girl.

Wyatt stares at him. Gary gets up and paces at the end of Wyatt's bed.

GARY

(continuing)

I'm serious. Like the movie.

Wyatt thinks about it. He looks over at Gary with repulsion.

WYATT

Dig up a dead girl.

Gary can't believe how stupid Wyatt is. Gary looks at the computer monitor. It's silently working on a simulation of some sort.

GARY

Your computer, moron. A computer simulation. Simulate a girl.

(MORE)

(CONTINUED)

17 CONTINUED (2)

17

GARY (Cont'd)

A simulated girl? You're always talking about how you can simulate all this other shit. Why can't you simulate a girl?

WYATT

I don't know. I guess I could. I'll need data.

GARY

I'll make up the data.

WYATT

What's the point? It won't be real. It'll just be on a TV monitor.

GARY

We'll practice on it. We can try out sick shit. Ask it questions. Put in true life sexual situations and see how it reacts.

WYATT

Is that right?

GARY

Who cares? It's not real.

WYATT

Don't get perverted, Gare.

GARY

Shut up. Turn that thing on and shag me a Penthouse.

18 CLOSEUP - CRT

18

A three-dimensional representative of the bust of a female with enormous bosoms revolves on the screen. The big boobies swing around on the screen.

19 WYATT AND GARY

20 INSERT - CLOSEUP - TV SCREEN

20

The giant breasts are squished up against the screen. We see nothing but breasts.

21 WYATT AND GARY

21

Gary pokes Wyatt's shoulder.

GARY

There's your huge titties.

WYATT

(disgusted)

You're right. Big titties are gross.
I can see why they went out.

GARY

Thank you. If there's one thing I
know, Wyatt, it's chicks.

Gary holds up his hand. He stretches his fingers apart
pretending to be holding a bosom.

GARY

Anything bigger than this and you're
risking a sprained tongue.

WYATT

Waste not, want not, huh?

Wyatt punches in a new set of bobbie specs.

22 CLOSEUP - CRT

22

The boobs are instantly revised down to a normal full bust.

23 GARY AND WYATT

23

Wyatt nods approval of the new graphic model.

WYATT

Very nice. Are they a little too far
apart?

Gary looks closely at the screen.

GARY

They may be a little low.

Wyatt taps a few more keys. The breasts move up a notch higher
on the chest.

WYATT

Now what?

Gary paces up and down behind Wyatt as he thinks.

(CONTINUED)

23 CONTINUED

23

GARY
Should we give her a brain?
(answers his own
question)
Nah. It'll just get in the way.

WYATT
Wouldn't it be more of a challenge?
We could play chess.

Gary stares in disbelief at Wyatt.

GARY
Chess?

24 CLOSEUP - MONITOR

24

Brain portfolio. Brain is teensy. Screen dumps graphic and displays "intelligence level -- 5th grade. Slow learner. Boring dipshit."

25 INT. ROOM - GARY AND WYATT

25

Wyatt leans back from the keyboard.

WYATT
That's about all we can do with my
stuff.

GARY
What kind of shit is this thing? Did
you get a free toaster with this, too?

Wyatt's angered by the insult to his computer.

WYATT
It's smarter than you, Gary. The
problem is this is a lame idea.

GARY
The idea's fine. Your computer's a
wimp. We need more power.
(thinks)
Remember when you were at camp with
those fat girls? And you said one of
them showed you how to break into a
department store computer?

WYATT
It was an insurance company.

(CONTINUED)

25 CONTINUED

25

GARY

Fine. Can you get me in?

WYATT

Your parents have to send in an application in February.

GARY

Not your camp, asshole. The insurance company.

Wyatt stares at Gary. He shakes his head, no.

WYATT

(scared)

No.

GARY

You said you did it before. Or was that bullshit?

WYATT

It wasn't bullshit. I did it and it scared the crap out of me. No way.

GARY

Do it.

WYATT

I don't want to go to jail, Gare. No, thanks.

GARY

You're in tenth grade. Nobody's gonna put you in jail. Do it or I'll go home.

WYATT

Go home. I'm not doing it. Since third grade you've made me do things I didn't want to do. I'm putting my foot down this time. I will not waver.

WYATT

Is this a sin, Gare?

GARY

(incredulous)

It's a doll, Wyatt. How can you sin against a toy? You're always so negative. It's very unappealing in a young man.

They're standing stiff and rigid. They're nervous and embar
rassed. Their eyes dart from her bod to her face. They're
bare-chested. She rinses her face and turns to catch the boys
looking at her body.
WOMAN
Hello?
The boys look up with embarrassment.
GARY
Hi.
WOMAN
It's Friday night and you guys are
fooling around with dishwashers and
computers. That's not exactly the
animal nightlife, you know.
GARY
I could have had a date.

Gary and Wyatt exchange puzzled looks. How did she know?

WOMAN

(continuing)

Fine, but I'll tell you guys right now,
I didn't come into being to sit home
and play chess.

Gary jabs Wyatt with his elbow. The woman turns off the water.
She reaches out of the shower and grabs a towel. She wraps it
around herself.

WOMAN

(continuing)

If we're gonna have any kind of fun
together...

(looks at their
crotches)

... you guys are gonna have to loosen
up.

She steps out of the shower. Wyatt and Gary step around, into
view and we SEE they're wearing bathing trunks.

92 INT. WYATT'S ROOM - LATER

92

Wyatt and Gary are getting dressed. Wyatt's putting on his
dorky Sunday suit. Gary's wearing one of Chet's suits. It's a
little big for him.

GARY

I don't care if she's an illusion, a
dream, a hologram, Twilight Zone or
another dimension, I'm going for it.

WYATT

You're not freaking out at all?

GARY

What's the point in freaking out? We
did it. It's done. What am I supposed
to do? Run around the block screaming?

WYATT

Maybe if I wasn't so spaced-out about
this, I might be able to enjoy myself.
Just between you and me, Gare, I've
never seen a naked woman, besides my
mom...

(CONTINUED)

GARY

You've seen my sister.

WYATT

Yeah. But I didn't get to wash her.
I guess maybe this could all be real.
She seems very real. Everything else
seems about as real as it ever has.
I don't know, maybe we hit on some kind
of weird science. Something that
nobody ever discovered.

GARY

Now you're thinking positively.

They check themselves in the mirror. They're unaware of how
stupid they look. A disquieting thought suddenly occurs to
Wyatt.

WYATT

Shit! (grabs Gary's shoulder) Gary,
if we created her, she has no place
to go back to. Which means she has
no home, right?

GARY

So?

WYATT

So, where's she gonna live?

Gary shrugs. She's at Wyatt's house so it's his problem.

GARY

What's that have to do with any thing?

WYATT

Gary, my parents are coming home
Sunday. Chet's gonna be home in a
couple of hours. What're we gonna do
with her?

GARY

You can cross that bridge when you get
on the other side.

WYATT

This is serious. When we're through
with her how do we get rid of her?
I don't think we can just download her
onto a floppy and be done with her.

Gary shakes his head in disbelief.

(CONTINUED)

92 CONTINUED (2)

92

GARY

We haven't taken one Polaroid, one inch of video tape, and you're talking about getting rid of her.

WYATT

I'm just being practical.

GARY

Look, let's just go with the situation. By Sunday I'm sure you'll think of something. You're a bright guy. Now, come on, do your zipper and let's go.

WYATT

Don't get B.O. on Chet's suit. He'll kill me.

Wyatt zips his fly. He and Gary exit the room.

93 INT. HALLWAY

93

Gary and Wyatt come down the hall. We SEE that they're wearing slick, expensive designer suits. They stop cold in their tracks. They look down at their clothes. Gary opens his suit coat.

GARY

Oh shit!

WYATT

Oh shit!

GARY

Oh shit!

WYATT

Oh shit!

O.C. Car honks.

WYATT

Where'd these clothes come from?

Gary reads the label in the jacket.

GARY

Italy.

The Woman's driving. Gary's in the passenger seat, Wyatt's in the back. The Woman's smiling, enjoying the night, the lights and the fresh air. Gary and Wyatt are perplexed.

GARY

Did you steal this car?

WOMAN

Steal the car? That's illegal.

WYATT

How did you get it?

WOMAN

I can get anything I want. And right now I want a name.

WYATT

What for?

The Woman looks in the mirror at Wyatt.

GARY

What name do you want?

WOMAN

You created me. You name me.

Gary and Wyatt think. Wyatt comes up with a name first.

Lisa?

The Woman smiles.

100 EXT. STREET - BAR

100

She opens the door to a bar. Gary and Wyatt hesitate.

GARY

What?

LISA

Let's go in and get bombed.

GARY

Let's get bombed.

WYATT

Bombed?

GARY

Bombed.

LISA

Bombed.

WYATT

We're not twenty-one.

GARY

We're not twenty-one.

She produces a pair of Illinois driver's licenses.

LISA

You're twenty-one.

Lisa winks and smiles. She steps in. Wyatt and Gary stumble in behind her, studying the licenses.

101 INT. BAR

101

WYATT
Am I this ugly?

GARY
Driver's license pictures are always
terrible.

Wyatt and Gary are studying the licenses.

WYATT
Is my nose really that big? My lips
look disgusting...

Gary looks up. His jaw drops.

WYATT
(continuing)
Good news. This is your license.

Wyatt looks up. His jaw drops.

102 THE BOYS' POV

102

It's loud and crowded. The largely black crowd is rough and tough. Lisa, Gary and Wyatt are the only white people in the place. All activity has stopped -- the music, the dancing, the talk, the movement. All eyes are on the trio.

103 GARY, WYATT AND LISA

103

Gary and Wyatt stare with dread at the crowd staring at them.
Lisa looks for a table.

GARY
I don't think we're welcome here.

LISA
Don't be silly. What are you, a couple
of bigots?

GARY AND WYATT
No.

LISA
Ease up.

She pushes ahead into the crowd.

Wyatt takes his wallet from his back pocket and slips it down
the front of his pants.

104 INT. BAR TABLE

104

They all sit down at the table. The novelty of their entrance wears off and activity in the bar resumes. A towering WAITER comes to the table. He looks at Wyatt and Gary angrily. They smile nervously. Gary looks down at the floor.

105 HIS POV

105

The Waiter's size twenty boots.

106 INT. BAR TABLE

106

Gary looks up at the Waiter. He introduces himself politely.

GARY
(meek)
Good evening, sir.

WAITER
What're you drinking?

GARY
What do you recommend?

WAITER
(mean and tough)
How about a glass of warm spit?

WYATT
(nervous smile)
Umm! That sounds good.

GARY
Make that two.

LISA

LISA

appetite for raw, rough sex satisfied.

The Waiter looks at Gary and Wyatt. They smile sheepishly and
shrug.

GARY

She's into monkeys. What can you do?

Gary and Wyatt force laughs. The Waiter curls his lip and
snarls. He walks away from the table.

WYATT

We've brought you into a racially
divided world. You see ...

LISA

(nods)

I know all about it.

GARY

Then you have to know how dangerous
this situation is.

LISA

Not if you just go with it. You're
good decent guys. You bear no malice
towards anyone. What're you so afraid
of?

WYATT

Mainly pain and disfigurement.

LISA

Trust me, okay? It's the least you
can do. Give me a chance.

Lisa takes out her cigarettes and offers them to Gary and Wyatt.
They all light up. Gary's eyes water from the smoke. Wyatt
chokes.

LISA

I think you guys'll feel a lot better

GARY

Not here.

WYATT AND GARY

No way.

107

INT. BAR. LATER

107

Gary shuffles through the crowd, trying to act cool and friendly. He walks up to the bar. The patrons look down the bar at him.

GARY

How about those Cubs, huh?

No response. Gary reaches up and rests his nervous hands on a glass rack that runs above the bar.

GARY

Can they kick butt or what?

He forces a laugh and accidentally pulls down the glass rack.

GARY

Oh, God!

One by one, the glasses slide down the rack. Gary deftly catches them and sets them safely on the bar. The patrons watch with mild amusement.

108

INT. MEN'S ROOM

108

Wyatt walks into the crowded men's room. He greets them with a frightened smile.

WYATT

Howdy...

His friendliness is met with chilly glares. Wyatt shuffles to a closed stall. He's careful to keep his back to the wall. He opens the stall and backs in. He closes the door.

109

CLOSE-UP - STALL DOOR/FLOOR

112

Lisa's sipping a drink, sitting in the smokey blue shadows. A wirey, pimpish looking sleazeball slips into an empty seat beside her. He eyes her hungrily. She turns and gives him an icy stare.

SLEAZEBALL

You with those little mooks?

Lisa nods proudly.

LISA

That's right.

SLEAZEBALL

Who the hell are they to be with a class broad like you?

LISA

Who are they? Those guys?

(with great drama)

They're suburban honor students.

SLEAZEBALL

What the hell is that?

113

INT. BAR - DANCE FLOOR

114 CLOSE-UP - LISA

114

She smiles proudly.

115 INT CLUB - LATER

115

It's nearly empty. Gary, Wyatt and Lisa are in a big booth with two old-timers and a young man. The last of the revelers stops by Gary and Wyatt's table to thank them for a wicked evening. Wyatt and Gary accept their thanks with easy street cool. They're both drunk.

WYATT

Keep in touch, homeboy.

GARY

(to Lisa)

Last year I was insane for this little eighth grade bitch, you know?

YOUNG GUY

Insane, crazy, nuts for the woman.

GARY

Gary slaps palms with a well-wisher.

Wyatt and Lisa help Gary into the back of the Cadillac.

WYATT

GARY
You didn't warn me about shit!

Wyatt sets him on the Caddy and lifts his legs off the pavement.

GARY

Let's scout another party. I feel like

Wyatt dumps Gary in the backseat. Lisa laughs and hands him the car keys. She gets in the passenger side.

LISA
I'm in no shape to drive tonight.

GARY (O.S.)

road)

Huh?

LISA

About me.

WYATT

Nothing.

LISA

That's not very realistic, Wyatt.

WYATT

I don't know. I'm trying to
concentrate on the road.

Lisa lifts up a little and looks out the windshield.

LISA

(nonchalant)

You better concentrate a little harder,
hon, you're in the wrong lane.

GARY

Oh, shit.

118 EXT. EXPRESSWAY - NIGHT

118

The Cadillac does a wild slalom through three lanes of oncoming
traffic as it makes its way northbound on the southbound lanes
of the expressway. Wyatt pulls a violent U-turn.

GARY (O.S.)

Turn down the music!

119 INT. CAR

119

Wyatt looks at Lisa and smiles sheepishly. He's soaked with sweat. She returns the smile.

WYATT

Pardon me.

LISA

No problem.

WYATT

Lisa looks over the backseat.

120 HER POV

121 INT. CAR - LISA AND WYATT

Lisa turns back in the seat.

LISA

You better think of what you're gonna do about Chet. He's a serious idiot.

122 CLOSEUP - CHET

He's an older, cooler version of Wyatt. Tall, thin, athletic. His expression is stern and disgustingly parent-like.

CHET

You're stewed, buttwad.

123 CLOSEUP - WYATT

123

He's clearly intoxicated, struggling to maintain focus on Chet. He's smoking a cigarette, chewing a wad of gum and is wearing sun glasses.

WYATT

Who me?

124 INT. WYATT'S HOUSE - FOYER

124

Wyatt's just come in the front door. Chet's standing before him with his hands on his hips. He's wearing gigantic boxer shorts, handle-bar t-shirt and slippers.

CHET

You know what time it is?

WYATT

(wild guess)

Two?

CHET

Try four.

WYATT

Four?

CHET

You're in deep trouble, little man.

Wyatt leans on Chet's shoulder and speaks to him in frank and friendly tones.

WYATT

I'm kind of counting on you to be a human being about this.

CHET

I wouldn't piss up your ass if your guts were on fire.

WYATT

Can you excuse me? I have to help Gary. He's sleeping over.

CHET

No way, fuckface. He's ugly, he's an asshole, and I'm in charge.

WYATT

He's real sick, Chet. He can't hold his liquor.

(pushes Wyatt against
the door)

Here's the bottom line, Wyatt. I'm
telling Mom and Dad everything. And
I'm even considering making up some
shit.

Wyatt accepts defeat.

WYATT

Okay, Chet, name your price.

CHET

(without hesitation)

One hundred and seventy-five dollars
and zero cents. Cash. New bills.
Crisp and clean. In my wallet by seven
AM.

WYATT

Thank you.

125 INT. HALLWAY - LATER

125

Wyatt helps Gary up the hall. He's drunk and sick and sore from
dancing and sleeping in the footwell. Chet's standing in his
bedroom doorway, snickering at the sight. He's smoking a cigar.

CHET

Well if it isn't Ronnie and Donnie the
Siamese twirps. What a joke.

(leans in close to Gary)

Hungry, chump? How about a greasy pork
sandwich served up in a dirty ashtray?

Wyatt heaves Gary into his room to shut him up. Gary topples to
the floor.

WYATT

He's drunk, Chet.

(forced laugh)

That'd be way bizarre, huh? Us making

CHET

No shit. You donkey dicks couldn't

Chet goes into his room. Wyatt sighs with relief. He tiptoes
down the back stairs.

LISA

I'm not your grandmother. You don't
have to kiss me with your lips clammed

WYATT
I wasn't expecting you to ...

She kisses him again.

That was better. Let's try it again.

WYATT

LISA

You made me. You call the shots.

Wyatt smiles nervously. He's on the verge of an important step
in his life. Lisa runs her finger from his lips down his chin,
to his chest.

LISA

What's on your mind?

Wyatt gapes at her. He takes a deep, quivering breath.

WYATT

Lisa buries him with a kiss.

He's out cold.

143 INT. BEDROOM

The neighborhood's up and active. It's a beautiful autumn Saturday.

145 INT. WYATT'S ROOM - GARY

He's splayed out on the floor. He moans softly. We PAN ACROSS to Wyatt's bed to Wyatt. He's asleep on his back with his mouth open. He licks his lips and wipes a little drool from his chin. He stirs and wakes. He rolls over to face what he thinks will be Lisa. He smiles and closes his eyes. A beat and he sits up startled. The bed's empty. He looks under the sheets.

WYATT

Gary!

GARY

Make mine scrambled, Mom.

WYATT

Gare!

GARY

Oh, my God! It feels like I'm wearing the wrong head.

Gary pulls himself up the side of the bed. He's hung over and miserable. He clutches his head.

WYATT

Gary, it was a dream.

Gary looks at him puzzled. He doesn't remember.

WYATT

Driving the wrong way on the expressway in the pink Cadillac?

Gary shakes his head, no.

WYATT

It is a dream.

Wyatt reaches under the covers and slips on his underpants.

GARY

In your dream did I get up in the middle of the night and barf in your bathtub?

Wyatt thinks for a moment. He doesn't recall. He shakes his head, no.

GARY

I guess it was a dream.

WYATT

You know, in a way, I'm sorry it was just a dream. I was really getting into it.

Wyatt slides out of the bed and heads for the bathroom. He stops cold and looks down. He sees he's wearing Lisa's red g-string panties.

Did my brother see you?

LISA

Not yet.

LISA

Need an omelet?

She hands him a plate. He sets it aside.

WYATT

I need for you to go into my room and stay there until Chet leaves. He's going duck hunting.

LISA

Aren't you being a bit childish?

Wyatt hears Chet upstairs, distinguishing himself with a cough, a belch, a fart and a shout.

CHET (O.S.)

Yo!

Lisa's casually tending an omelet. Wyatt's in a panic.

WYATT

WYATT

Hi, Chet.

CHET

Your homo friend launch his lunch last night?

WYATT

Not that I'm aware of.

Chet dumps the old coffee in the sink. He glances back at Wyatt. He takes the omelet.

CHET

That's pretty good. Now make yourself one.

Wyatt walks away.

CHET

I like your panties.

Wyatt looks at the panties with alarm.

WYATT

It's a joke.

CHET

That's not a joke, Wyatt. That's a severe behavioral disorder.

Wyatt faces facts. It's time for another payoff.

WYATT

GARY
Bullshit, you didn't!

WYATT

Oh, really? Since when?

WYATT
Fine. She can sleep at your house

WYATT

I was wearing my pants.

GARY

I meant her, dork.

WYATT

Oh. Yeah, I guess so.

GARY

You really didn't do it?

Wyatt shakes his head, no. Gary stares long and hard at Wyatt.

incredulous)

You're such an asshole.

149 INT. STORE - PERFUME COUNTER

149

Wyatt and Gary are sniffing the sample bottles. A teenage SALESGIRL is waiting on them. She looks them up and down with disdain, wondering what a pair of dipchops like them are doing in her section.

SALESGIRL

Looking for something for your mom?

Gary and Wyatt chuckle. They play the situation very cool and sophisticated.

GARY

(very adult)

Not hardly, dear.

SALESGIRL

You guys have girlfriends?

149

Gary and Wyatt chuckle again. Wyatt leans forward and reads the girl's name off her tag.

WYATT

Sue, one does not refer to a twenty-five-year-old woman as a girlfriend.

GARY

Mistress, Wyatt...

The Salesgirl's mystified.

SALESGIRL

You guys go to Eisenhower, right?

WYATT

We drop by on occasion.

SALESGIRL

(with disgust)

You're dipshits, right?

Gary and Wyatt exchange smiles. Gary hands her a bottle of perfume.

GARY

Would you be so kind as to ring up a bottle of this bewitching little fragrance?

WYATT

Two.

The Salesgirl looks at the bottle.

SALESGIRL

It's like a hundred and seventy bucks for a tiny bottle.

GARY

Darling, price is not a concern.

Gary pulls out a huge wad of money and peels off four one hundred dollar bills. Wyatt and the Salesgirl choke at the sight of the cash. Wyatt pulls Gary aside.

WYATT

(whispers)

Where'd you get that?

GARY

Out of your wallet.

They turn back to the girl.

GARY

(continuing)

If I give you a C-note will you wrap
up these bottles real nice?

Gary winks. Wyatt joins in on the sham.

WYATT

(chuckles)

He's such a cheapskate!

150

INT. DEPARTMENT STORE

150

Neiman Marcus. The lingerie section. Lisa's picking through
some provocative selections. An older SALESLADY is waiting on
her.

SALESLADY

Is this for yourself?

LISA

Actually, it's for the men in my life.

The Saleslady smiles sheepishly. Lisa examines a black lace
g-string on a little hanger.

LISA

(continuing)

If you were a fifteen-year-old boy
would this turn you on?

The alarmed Saleslady's half glasses slip off her face.

151

INT. SHOPPING MALL

151

Gary and Wyatt are sitting on a big marble bench. They're each
holding a tiny wrapped package.

152 INT. MALL - SECOND LEVEL

152

A group of kids, the popular kids outside a food service atrium, leaning against a railing overlooking the first level. They're talking, drinking, smoking. One of the boys, MAX, is looking over the railing. He pokes a friend, IAN.

MAX

Check it out.

DEB

Max, what are you gonna do?

Ian looks over the side.

153 THEIR POV - WYATT AND GARY

153

154 IAN AND MAX

154

They smile wickedly. Max swirls his cherry slush.

MAX

Five bucks?

IAN

Five bucks.

Max leans over the railing with the cup. The kids gather around.

155 INT. MALL - GARY AND WYATT

155

They lean back, relaxing. They're feeling proud and manly.

WYATT

For the first time in my life I don't
feel like a total dick.

Suddenly, a shower of cherry sleet rains down on them. The mall goes silent. Then erupts with laughter. Gary and Wyatt jump up, sodden with the cold, sticky drink. They look up.

156 THEIR POV - MAX AND IAN

IAN

Sorry folks. Momentary loss of motor

157 GARY AND WYATT

They look at each other. They're covered with red ice.

GARY

I'd love to kick their asses.

WYATT

You can use my foot!

158 INT. MALL SECOND LEVEL

158

The popular people move on. The laugh's over. Max slips his arm around his girl friend, DEB. She's a couple years younger. Sweet and cute. Ian's girl friend, HILLY, takes his hand as they walk. Deb is the blonde equivalent of Hilly. The girls haven't enjoyed the laugh.

IAN

Nice shot.

MAX

Gimme the five.

IAN

Wake up.

MAX

What, aren't you going to pay me?

IAN

I never have.

HILLY

That was a really shitty thing to do.
How would you like somebody to do that to you?

IAN

They're schmolos.

DEB

Yeah? And what are you?

MAX AND IAN

Mammals.

DEB

We're not impressed.

IAN

They walk on. The girls don't quite follow Ian's logic.

DEB

I'm getting real bored of their shit.

HILLY

We should dump 'em. We've been with them three months. We've met people. We've gone to parties.

DEB

We won't meet new people. We won't go to parties. And we'll go into a social coma.

HILLY

Ooh. We'll give them one more chance.

MAX AND IAN

I'm sorry.

The girl turn around to see Max and Ian in a lewd pose.

159 INT. MALL - LATER

159

Lisa's sitting on a bench, waiting for Wyatt and Gary. A shaft of light from a skylight illuminates her like a spotlight. She has her face turned into the warm light. Her eyes are closed.

160 INT. WOMEN'S BOUTIQUE

160

Deb and Hilly are looking at clothes. Max and Ian are at the counter talking to a SALESGIRL in her mid-twenties. She's completely disinterested in their advances.

Lisa looks directly at them and smiles.

162 MAX AND IAN

Their mouths drop open. They step up to a display rack for a better look.

MAX
She's looking at me.

IAN
No way, bud. She's looking at mine.

MAX
Look cool.

163 LISA

163

She knows she's being examined. She wets her lips and flicks her tongue at the boys.

164 IAN AND MAX

164

The clothes rack they're leaning on collapses forward and they fall OUT OF FRAME.

IAN
(to SALESWOMAN)
You're looking at a law suit.

165 INT. MALL

Wyatt and Gary stroll down the mall fresh from the men's room where they've done their best to wash the cherry slush off their clothes.

- 166 INT. STORE 166
Ian and Max clumsily try to right the rack. SALES PEOPLE help them as Deb and Hilly giggle.
- 167 INT. MALL 167
Wyatt and Gary meet Lisa. She looks at their stained clothes. They offer their sodden gifts.
- 168 INT. STORE 168
The rack's been set back up. Max glances out of the store at Lisa. He does a take and jabs Ian. He looks.
- 169 THEIR POV - LISA 169
kisses Wyatt and then Gary. She puts her arms around both of them and they exit.
- 170 INT. STORE 170
Ian and Max are dumbfounded. In their bewilderment, they knock the rack over again.

IAN
(to SALESWOMAN)
Two law suits.
- 171 INT. MALL 171
Gary and Wyatt escort Lisa through the mall, each with an arm around her waist. They've never felt bigger in their lives. They approach and pass a group of Weenies, their peers, NORRY, AARON, MERLE, ART and their co-captains, BART and MARCUS. And a sour young punkette, Wendy. A tomboy geek. Gary throws them a wink. Wyatt waves.

GARY
Hello, boys!

He motions to Lisa. She waves to the boys.

WYATT
See you, around!

They pass. We HOLD ON the bewildered geeks. They can't believe what they've just seen. On cue, they all grab their crotches and moan.

WEENIES
Harsh flesh!

172 EXT. PARKING LOT

A black Porsche 928 pulls clumsily around to the entrance.

173 INT. CAR

173

Gary's at the wheel, Wyatt's in the back.

WYATT

I hate riding back here. What was wrong with the car we had last night?

GARY

It didn't go with her outfit.

Gary looks out the window and freezes.

174 EXT. MALL

Lisa approaches the car. Ian and Max are running after her.

MAX

Hey!

Lisa turns around.

MAX

Hi.

Lisa smiles.

MAX

What's the deal?

LISA

Deal?

IAN

GARY
(phoney grown-up)
Lisa? Babe?
(taps his watch)
We're late, darling.

He does a double take as he realizes he now has an expensive new Piaget watch.

176 MAX AND IAN

176

They're dumbstruck to see Gary and the Porsche. They look at Lisa.

LISA
Why don't we continue this tonight?
There's gonna be a party at Wyatt's.
His address is in the student
directory, under Donnely. Spread the
word.

She heads for the car.

177 INT. CAR

177

Gary gets in and closes the door. He looks back at Wyatt.

WYATT
What?

GARY
I think you're having a party.

Wyatt's eyes open wide with alarm. Gary pulls away.

Lisa's setting out flowers and puttering around the living room.
Wyatt's following her.

LISA

Wyatt, you're gonna have a heart attack before you're forty if you don't learn to relax. Have you tried inversion boots?

WYATT

You don't understand my parents.

LISA

What's there to understand? They're oppressive, meddelsome, difficult, demanding and totally bizarre. They're normal parents. Stop worrying and go get dressed.

WYATT

The last thing I need right now is trouble with my parents.

Lisa dims the lights just so.

WYATT

(continuing)

I created you, Lisa.

She pays no attention.

WYATT

(continuing)

Lisa!

He grabs a bunch of flowers away from her.

WYATT

(continuing)

The point is, why do you insist on doing what I don't want?

LISA

Honey buns, you want a party so bad you could bottle it. You and Gary want friends, you want popularity, you want all that shit. Right?

WYATT

We discussed it, sure, but...

LISA

I'm giving it to you.

WYATT

But I don't want it at my house.

She kisses his cheek.

LISA

179 CLOSEUP - GARY'S PARENTS

Gary's dad, AL, is heavy-set and balding. His mom, LUCY, is thin and weary-looking. They're wearing frozen expressions of disbelief.

180 INT. GARY'S FAMILY ROOM

180

It's a small, middle-class family room. Nothing like Wyatt's place. Gary's sitting on the couch smiling nervously at his parents sitting in armchairs across from him. Lisa's pouring two beers. Lucy and Al aren't quite sure what to make of Lisa.

AL

(puzzled)

Do you go to Gary's school?

LISA

No.

GARY

Yes! Yes, she does. She does.

Lisa walks around from behind the bar. She hands Gary a beer. She sets hers on the coffee table.

LUCY

You look very... mature.

GARY

Doesn't she? She flunked. About...

LISA

What do you do for a living, Al?

She reaches into his pocket and swipes one of his cigarettes.

GARY

He's into plumbing. He plumbs. He's
a plumber.

(takes a deep breath)

Well, I think it's time to go.

Lisa lights up and sits next to Gary.

AL

Where are you going?

GARY

To a movie.

LISA

To a party.

GARY

It's kinda like a movie party

Lisa chuckles at Gary's nervousness. She flicks her ashes
behind the couch.

LISA

I've whipped up a nasty little soiree
over at his friend, Wyatt's house.

GARY

He's a fine, young man, Mom.

LISA

His parents are out of town. You know,
there will be sex, drugs, rock 'n roll.
Chips, dips, chains and whips. Your
basic high school orgy type of thing.

Gary whimpers at Lisa's indiscretion. Al and Lucy exchange
disturbed looks.

LISA

I'm not talking about clothes pins on
the nipples or witchcraft or anything
like that.

Oh, my God.

LISA

(to Al and Lucy)

My little pumpkin here's a little out
of it because last night he got ripped
beyond belief and passed out in the
car and I ended up sleeping with Wyatt.
(confidentially)
I think he's a little jealous.

Al and Lucy gasp.

GARY

(whimpers)

I wanna die...

She puts her arms around him and bites his earlobe.

GARY

(continuing; moans)

I'm dead.

LISA

But tonight, I'm gonna strap a
speedometer to my ass and see if we
can break the land speed record.

She laughs. Lucy shrieks. Al jumps out of his chair.

AL

I've heard enough of this, god-damit!
Gary, go to your room! Girlie, you
get the hell out of here before I throw
you out!

Gary looks at Lisa with dread. She smiles and leans over to
him.

(to Lucy)

I'll be up in my room. Suffering.

AL

Two!

Gary starts to exit. Lisa grabs his arm and holds him back.

LISA

(to Al and Lucy)

Excuse us, we're late.

AL

Three!

Lisa loses her temper. Her playful attitude turns angry.

LISA

Cool your jets, chubby cheeks!

Al raises his fist in rage.

LISA

(continuing)

Don't threaten me, Al. You're out of shape, I'll kick your ass. I'll make this real easy for you. I'm taking Gary to a party. He studies hard, he stays out of trouble. He's a good kid. You've got no complaints. If anybody should be bitching, it should be Gary.

GARY

She's wrong. I'm an extremely happy child, Mom.

You ever compliment him on anything?

Gary is dumbfounded. He's soaked with sweat. He's hyperventilating.

AL

(to Lisa)

I don't know who you are, what you are or where you come from but...

LUCY

I'm calling the police.

Lucy grabs the phone. Lisa shakes her head, no.

LISA

Oh, no. You don't want to do that.

She hands her cigarette to Gary, opens her purse and pulls out a .44. She levels it on Al and Lucy. They gasp.

LISA

Go ahead. Make my day.

Gary faints. Thud!

LISA

(continuing)

Cheer up or I'll blow your face off!

He gasps in horror. She pulls the trigger. It's a squirt gun. A stream of water splatters Gary's face. She laughs. He doesn't think it's funny.

LISA

(continuing)

Don't be such a crab. Everything's cool.

GARY

Cool? Oh, really? My parents are gonna murder me. If they even let me back in the house I'll be grounded until I get out of medical school!

LISA

Don't sweat your parents. They won't remember a thing.

GARY

My mother has the memory of an elephant.

LISA

And the ankles, I might add.

GARY

She's diabetic.

Lisa puts her hand on his shoulder.

LISA

WYATT

Promise me this thing won't get out of control?

LISA

Don't spaz-out, Wyatt. You're having a few friends over.

WYATT

WYATT

It's much better, thank you.

GARY

Let me know if you're gonna fart. I'll hit the fan.

WYATT

I'm just a little nervous.

GARY

I can't believe this. All we ever talk about is how great it'd be if we could go to parties. It's our party and we're sitting in the john.

WYATT

You're just as uptight as me.

GARY

No one can be as uptight as you.

WYATT

True. But this isn't so bad. We can hear the music.

GARY

This is pathetic.

WYATT

Do you think Lisa's having a good time?

GARY

Lisa could have a good time at an insurance seminar.

WYATT

She's ours and we can't even get close to her.

DEB

Zero fat.

HILLY

And she's so relaxed. She burped and it was like, charming. I don't get it.

Just us dudes.

HILLY

What're you doing here?

WYATT

Gary was taking a shit.

Gary throws Wyatt a chilly look.

HILLY

No, I mean at the party?

WYATT

It's my house.

DEB

This is your party?

GARY

Yeah. We do this every week. Haven't you been by?

How did we miss these two?

WYATT

So many people, so many parties...

HILLY

It's really great.

Wyatt.

DEB
This is a wild crowd. I didn't know you guys had so many friends.

WYATT
Neither did we.

HILLY
Who's the blond girl?

GARY
She's with us.

DEB
With you guys?

HILLY
Both of you?

WYATT
Sexual socialism.

There's an uncomfortable pause. Gary looks at Wyatt.

GARY
(to the girls)
Can you excuse us for a moment.

Gary opens the shower stall. He urges Wyatt in with a jerk of his head.

GARY

We won't be a minute.

They step into the shower stall. Deb and Hilly look at them curiously. They turn to the mirror to check their faces.

213 INT. SHOWER STALL

213

Gary and Wyatt hold a quick conference. They exchange their lines in machine gun fashion. Serious monotone.

GARY
I could be wrong but I think these ladies are stoked for us.

WYATT
I got that feeling myself.

GARY
What do we do?

WYATT
I don't know.

GARY
Should we go for it?

WYATT
What about Lisa?

GARY
Good point. Do you think it'd hurt her feelings?

WYATT
I don't know. We created her. I suppose it's within our rights.

GARY
She did say we should party.

WYATT
Look, let's get it on with these two, score the points and go back to Lisa. I've been pumped for Hilly forever. This is like a dream come true.

GARY

How about if we see if we can score
with these two and deal with the
mechanics when we get to them?

WYATT

Good idea.

GARY

But whatever happens we have to give
Lisa a shot. I wouldn't want to
disappoint her. I think she's looking
forward to sex with us.

WYATT

She talks about it enough.

GARY

Does my hair look okay?

Wyatt looks at him.

WYATT

Fine.

GARY

Good... Ready to party down?

WYATT

Ten-four.

Wyatt nods. They step out of the shower stall.

214 INT. BATHROOM

The girls are gone. Replaced by a drunk and sick kid hugging
the commode.

215 INT. FAMILY ROOM

215

Max and Ian are sitting on the couch with Lisa. They're both
sweet-talking her.

MAX

Come on, Lisa, why not?

LISA

IAN
They're toads. They need a charisma

LISA
Would I go out with two toads?

IAN
You do.

LISA
I think Wyatt and Gary are going to
force everybody to redefine their
terms.

MAX
You're completely loyal to them? Even
if you were assured that they'd never
find out anything?

LISA
I do whatever they say.

Max and Ian exchange impatient looks.

MAX
Excuse us for a minute.

Max and Ian lean forward and hold a quick conference. Lisa
listens with a knowing expression.

MAX
What can they say?

IAN
No.

MAX
We'll cut a deal with them.

LISA
What kind of deal?

MAX
If they say no, we'll ruin their legs.

LISA
Run it by them. See if it flies.

Max and Ian take off.

216 INT. FAMILY ROOM 216

Deb and Hilly return to the party. Max and Ian blow past them.

217 LISA 217

She sees the girls and approaches them.

218 INT. LIVING ROOM 218

She walks up to Deb and Hilly. They're still wondering what's with Max and Ian.

LISA

Hi. Where'd you two disappear to?

Deb and Hilly stammer and trip over their explanations. They don't want Lisa to know they've been with her boys.

DEB

Nowhere. We were in the kitchen.

HILLY

The bathroom.

DEB

Doing our hair.

HILLY

Eating.

Lisa smiles at their clumsy excuses.

LISA

Have you met Gary and Wyatt?

DEB

(without hesitation)

No.

HILLY

Yes.

Amazing guys, huh?

DEB

Yes.

No.

GARY

We can't. Sorry, but common decency prohibits us.

MAX

She said it was okay.

WYATT

We can't take advantage of her loyalty.

IAN

You guys are so selfish, I can't believe it.

GARY

Ian. Can I call you Ian?

IAN

Sure.

GARY

Ian, forget it.

MAX

Come on, guys. Quit being such pricks.

WYATT

We're not being pricks, Max. Can I call you Max?

MAX

Sure.

GARY

I knew they'd never believe us.

WYATT

You can't blame them.

GARY

We could prove it beyond a shadow of
a doubt, Wyatt.

Gary looks at Wyatt. Wyatt knows exactly what's on his mind.

WYATT

No!

GARY

Why not? We're still hooked up.

WYATT

Absolutely not!

GARY

Give me one good reason why.

WYATT

I'll give you two. No and absolutely

The party guests are silent as they listen to the wild, unearthly storm and the eerie NOISES coming down from Wyatt's room. Everybody flees in terror, leaving a GIRL alone playing the piano. People run out of the house. She's oblivious to the weird events. She's playing "You Light Up My Life." Suddenly, the lid of the baby grand slams shut. She looks up curiously and continues with her song. The piano begins to slowly move away from her. She leans forward to continue playing. It moves out of her reach. She watches it, dumbfounded, as it rolls across the living room picking up speed. Whoosh! It's sucked up the chimney. You couldn't leave well enough alone.
In your race for glory you forgot one

Wyatt is furious. Ian and Max are tapping the missile, testing its validity.

WYATT

A missile, a goddamn missile, Gary!

MAX

Yep. This puppy's for real.

GARY

It was an accident!

WYATT

Accident? Gary! There's a missile in my parents' house! They're gonna go berserk. They won't even let me have a dog.

GARY

Calm down! We'll get rid of it.

WYATT

How?

Gary looks at the missile. He shrugs.

GARY

We'll launch it.

WYATT

And knock out Milwaukee? Good idea!

IAN

Milwaukee? Shit, let's go for downtown Moscow!

Excuse me.

How are you this evening?

Henry scowls at the kid. Carmen peeks around him in horror at the crowd of people in the house and the commotion and noise. A chain of dancing drunks crosses the foyer from the family room to the kitchen.

HENRY

Bart! Have you been drinking?

BART

Only to kill the taste of the marijuana, sir.

HENRY

(furious)

Where's Wyatt?!

BART

I'm not sure, Sir, somebody said he was upstairs...

A party GUEST hurries out the door with an armful of Wyatt's parents' silver. His GIRL FRIEND follows, wearing a fox coat and carrying a mink. Then a kid with a wheel barrow loaded with loot. Carmen and Henry are stunned.

BART

Hasta lasagna, don't get any on ya!

I think he's having sex. If you can wait a minute, I'll get a confirmation on that.

CARMEN

Bart Humpert! You're a disgrace to the Presbyterian Church!

BART

Thank you, ma'am.

263 INT. FOYER

Lisa realizes who they are.

LISA

Me? I guess I'm Patty Party Hostess. Let me fix you a cocktail.

HENRY

We don't want a cocktail!

LISA

Blow some weed?

CARMEN

Henry! Notify the authorities!

LISA

(to herself, weary)

Oh, God. Here we go again.

(to Henry and Carmen,
intimate)

Here's the deal, folks. Wyatt and Gary created me on their computer. I read the act as a desperate cry for companionship. So, I put together this little gathering.

HENRY

I'm not going to stand here and listen to this baloney!

LISA

(nods)

I honestly didn't think you would. So, you kinda just leave me one option...

She turns to a couple of hulking JOCKS. She positions them in front of Henry and Carmen with their arms out-stretched.

They look back at the stairs. Their eyelids flutter and they keel over into the arms of the bewildered jocks.

266 INT. WYATT'S ROOM

Max and Ian are still studying the missile. Wyatt's calmed down.

MAX

You guys are unbelievable. Where'd you learn to do this?

WYATT

Computer camp.

(pause)

I'll bet you feel pretty stupid about always kicking the shit out of the math shmolos, huh?

MAX

No.

Lisa pokes her head in.

LISA

Excuse me, Wyatt, your grandparents are downstairs.

Wyatt doesn't catch on right away. He's too consumed with the missile.

WYATT

GIRL

You better find another bathroom. You'll never reach the toilet paper.

She continues down the hall. Wyatt looks into the room. He looks up at the ceiling and recoils.

268 HIS POV - THE COMMODE

Lisa takes a tray of stuffed mushroom caps out of the oven. Wyatt stumbles in.

WYATT

Did you see...?

LISA

The missile? State of the art, babe. Here, try one.

She offers him the stuffed mushroom caps.

WYATT

No thanks, I hate mushrooms. Where are my grandparents?

LISA

They're delicious.

WYATT

You ate my grandparents.

She walks over to the pantry and opens the double doors.

270 INT. PANTRY

Henry and Carmen are frozen with big smiles on their faces.

271 WYATT AND LISA

271

He recoils in fear. She chuckles.

LISA

They're fine. In fact, they're better than fine. They aren't aging anymore.

Wyatt stares at his grandparents.

LISA

I figured they'd put a damper on the party. No offense but they're not real hip.

Wyatt looks at her and shakes his head in defeat. He shuffles out of the room. Lisa watches him go. She sighs sadly.

LISA

(continuing)

He needs some self-confidence.

She scratches her head as she thinks.

272 EXT. HOUSE - BACKYARD

272

We see the party action through a big bay window in the family room. We HEAR the RUMBLE of MOTORCYCLE ENGINES. A motorcycle tire rolls along the edge of the FRAME and a leg in leather jeans and strange futuristic boot comes down and plants in the sod. A beat and the foot clicks the big bike into gear and it fires at the house. One more bike shoots past, heading for the house.

273 INT. FAMILY ROOM

273

The party's in high gear. MUSIC's blasting, kids are jammed wall-to-wall. Out the window we SEE two headlights approaching. Fast! The record ends and the bikes burst through the window. Kids scream in terror. They scatter and hit the deck.

274 INT. FAMILY ROOM - REVERSE

274

The bikes skid to a stop at the far end of the room. We SEE the three bikers. BIKER #1 sports a flaming red mohawk, thick, grotesque eye makeup, a chain from his nostril to his ear, studded leathers. BIKER #2 is a woman. A dangerous, evil dominatrix dressed in leather and barbed wire. BIKER #3 is a junkyard mutant. Half his face is stainless steel.

His hair is long and braided. He's wearing a rotted duster and bloody jeans. He has metal claws for hands. They swing around and shine their lights on the terrified kids. Horrible, evil, other-worldly demons in war paint. They hold a menacing beat and split off to brutalize other rooms.

Thank you. There's no need to worry! Gary Wallace and Wyatt Donnely are here! I can assure you that they will render these thugs powerless as soon as possible so that you may return to your normal activities. Thank you.

285 INT. FOYER

The upstairs biker charges down the stairs and skids around a terrified Gary and Wyatt. He shoots into the living room. The kitchen biker zooms past Gary and Wyatt and joins his buddies in the living room. Gary and Wyatt look at each other.

GARY AND WYATT

Screw the house!

The bikers dismount their machines and survey the mass of frightened kids. They eye the girls hungrily and snarl at the boys.

287

INT. FOYER

287

Lisa pushes her way into the foyer. She knocks on the coat closet door. There's no response. She pulls it open and we SEE Gary and Wyatt inside, cowering among the coats.

LISA

Guys? You have uninvited guests. I think you better come out and ask them to leave. They're getting rowdy and there's a very high risk that they could spoil the ambience of your party.

Gary and Wyatt stare at her like she's insane. They close the closet door. Lisa pulls it open.

LISA

(continuing)

You've been presented with the opportunity of a lifetime to prove your bravery and courage.

GARY

Those are out-dated concepts.

Gary closes the door. Lisa opens it.

LISA

Don't let John Wayne hear you say that.

GARY

The man is dead.

He slams the door.

LISA

Well, so are you if you don't deal with this situation.

There's no response from Gary or Wyatt.

GARY

If I could shoot an egg out my ass right now, I would.

WYATT

Won't people think we're cowards?

GARY

We can deal with shame. Death is a much deeper issue.

Biker #3 pulls Wyatt through the wall and sets him down. He looks into the hole and motions Gary out with his claw. A beat and Gary steps out through the hole. He stands next to Wyatt.

GARY

Hi. Did you guys get drinks?

LORD GENERAL

This is your party?

Gary and Wyatt nod nervously.

LORD GENERAL

(continuing)

How come a pair of unpopular dicks like
you are having a party?

Gary and Wyatt shrug. Gary chuckles nervously.

GARY

You know, that's funny, I was just
asking myself that very question.

WYATT

We're sorry. It won't happen again.

LORD GENERAL

How about I pour cherry slurpy on you?

The bikers roar with laughter. A few nervous snickers from the
frightened party guests.

GARY

(to the crowd)

Could someone round up some slurpy?

292 THE LORD GENERAL

292

steps forward.

LORD GENERAL

How about I tell everybody you wear
a bra on your head?He snickers. More kids join in the laughter. Lord General
looks at the kids. They laugh harder to please him. He lets
out a chilling laugh. Gary blanches at the revelation of this
intimate detail.

293 CLOSEUP - LORD GENERAL'S MATE

293

Her cheeks bulge with spit. She turns her head to unload.

294 CLOSEUP - PARTY GIRL

294

She turns away in revulsion as the spit splatters on the couch.
She chokes back her gag reflex.

295 INT. FAMILY ROOM

295

The Lord General continues his baiting of Gary and Wyatt.

LORD GENERAL

(to Wyatt)

How's that nervous stomach of yours?

Gotta take another shit?

Wyatt strokes his forehead in embarrassment. Biker #1 picks up a clock, looks at it and throws it on the floor.

LORD GENERAL

(continuing)

Had your nuts kneed by that eighth grade bitch, lately?

The room is now howling with laughter. Lord General reaches out and pulls Deb up from the floor. She shrieks in pain. He holds her close. Biker #1 takes Hilly. He twists her arm around behind her back and kisses her neck. Biker #3 opens his claw and grabs Norry's nuts.

NORRY

Weeeeeeeeeaa!!

296 GARY AND WYATT

296

They're reaching their breaking point. Big and dangerous or not, the intruders are going too far. They look at each other.

GARY

Kick?

WYATT

Ass!

297 INT. FAMILY ROOM

297

Gary and Wyatt stroll into the room. The laughter subsides. Gary shoves a kid aside. Wyatt knocks the beer out of another's hand. They set their jaws. Wild, insane looks of rage.

WYATT

Okay. This is war. Hands off the girls. Right now. Hands off!

The bikers are startled by Gary's anger. They release the girls.

GARY

(to Lord General)

You better have insurance, pal. You don't come into somebody's house and ride motorcycles all over, making a mess, filling the place up with carbon monoxide. You hear me?

Lord General takes a menacing step toward Gary and Wyatt.

GARY

(continuing)

We aren't afraid of you. We aren't afraid of anybody. You leave the girls alone, you apologize to these people and you get on your motorbikes and cruise.

WYATT

You have a choice.

GARY

Go in peace.

WYATT

Or stay. And die.

GARY

It's your call.

Gary produces the .44 water pistol that Lisa pulled on his parents. He winks at Wyatt. He raises the pistol and puts it to Lord General's eye.

GARY

(continuing)

You wanna think about it?

He cocks the gun. CLICK. Lord General turns away in defeat. He motions for his mates to check out. Gary lowers the pistol.

298 INT. FAMILY ROOM

BIKER #1

BIKER #2

We beg your pardon.

BIKER #3

Excuse us.

299 DEB AND HILLY

299

They exchange bewildered looks.

300 GARY AND WYATT

300

Wyatt's staring bug-eyed at the gun.

WYATT

Where the hell did you get that!?

GARY

It's a squirt gun. See...

He turns the pistol sideways to demonstrate that it's a water pistol. He pulls the trigger. BLAM! The chandelier in the foyer crashes to the floor. The bullet travels out the dining room window.

301 INT. FOYER - STAIRS

301

Lisa's sitting on the stairs. She smiles proudly and sips her drink.

She's standing in the door looking at Wyatt.

HILLY

What're you doing?

305 INT. LIVING ROOM - WYATT

He looks up. He's surprised to see Hilly.

306 INT. LIVING ROOM

306

She walks over to Wyatt and sits down across from him. Ray Charles "Let's get stoned" is on the sterec.

HILLY

(continuing)

What a weird night, huh?

Wyatt nods.

HILLY

(continuing)

You weren't afraid of those guys?

WYATT

Sort of. But what could I do? Let them pillage the place?

There's an awkward pause.

HILLY

It's probably a good idea not to ask too many questions about tonight. I have a feeling the answers would really only confuse me more.

WYATT

Probably.

HILLY

Since this is sort of a night of weird shit, I wonder if I can ask you something really strange.

She looks away nervously. She takes a breath and turns back.

HILLY

(continuing)

Would you kiss me?

WYATT

What about Ian?

HILLY

I don't care about Ian.

Wyatt smiles sheepishly. He clears his throat and sighs.

WYATT

Okay. Hold your toes.

307

INT. FAMILY ROOM

307

The lights are out. It's dark except for the flickering light of an off-air TV station. Max, Ian and Lisa are lying on the floor. They're under a blanket.

MAX

That was just about the best time I ever had.

IAN

I'll remember it for the rest of this night.

LISA

I'm glad you enjoyed yourselves.

MAX

This little number went way beyond enjoyment.

LISA

You don't know the half of it.

There's a pause as Max and Ian snuggle up to her.

LISA

(continuing)

You guys come down pretty hard on Wyatt and Gary, huh?

IAN

You mean we come down pretty hard all over, Gary and Wyatt.

Max and Ian laugh.

MAX

It's all in fun.

LISA

It doesn't seem like much fun for them.

IAN

We kid around. A lot.

LISA

Basically, you just used them tonight for their house and their hospitality.

Max and Ian chuckle.

LISA

What about Deb and Hilly? How would
they feel about this?

Max and Ian laugh again.

MAX

Compared to you, Deb and Hilly are...

IAN

Doggies.

LISA

That's kind of a shitty attitude, isn't
it?

IAN

Yes.

MAX

What can one do?

LISA

That's the kind of attitude that can
cause you some pretty serious problems.

IAN

Lay it on us!

He and Max burst into laughter. Lisa smiles impishly.

LISA

Keep laughing, guys.

It's like sisterly love, you know.

DEB

But she's so cute.

GARY

I know.

DEB

Her body's awesome.

GARY

I know, I've explored it completely.

DEB

So, what am I compared to her?

GARY

It's not a fair comparison.

Deb doesn't understand.

GARY

(continuing)

Lisa's everything I wanted in a girl.

Deb drops her head in disappointment.

GARY

Before I even knew what I wanted. If
I did it all over again, I'd make her

Deb looks up with a smile.

GARY

Ian and Max head for home.

IAN
What's she talking about?

What're you laughing at?

IAN
You! What are you laughing at?

MAX
You!

Their laughter fades as they realize that what they're laughing at is real. They run to the curb and lean over and look at their reflections in a puddle. Ian's pants split as his huge, expanding pink ass bulges out of the pants. A donkey tail rips through Max's pants.

314 THEIR POV

314

Pig-boy and Donkey-boy look at themselves.

315 MAX AND IAN

Wyatt and Hilly are curled up in each other's arms, sleeping.

324 INT. KITCHEN 324

It's still blue and a mess like the rest of the house. The missile's still poking through the room. Lisa's drinking a cup of coffee, reading the sports page. She's in her panties and midriff t-shirt.

LISA

(to herself)

The Yankees just can't get their asses in gear.

She turns the page and sips her coffee.

325 EXT. HOUSE - SAME TIME 325

Chet's Jeep pulls up and parks. He takes a deep breath and reaches into the backseat for his shotgun and one dead mallard. He walks up to the house.

326 INT. FOYER 326

Chet walks in. He sees the trashed foyer and drops his duck.

CHET

What the hell?

He looks into the living room.

327 HIS POV 327

333 HIS POV - THE MISSILE

333

GARY

CHET

Do you realize it's snowing in my room, Goddammit!

WYATT

Some real weird shit happened.

CHET

You don't have to be a fuckin' genius to figure that out, monkey dick!

WYATT

It's a real long story. Gary and I were messing around Friday night with my computer. We were trying to create a woman.

Chet drags Wyatt out of the bed by his collar.

Don't fuck with me, Wyatt.

WYATT

I swear to God!

CHET

335 INT. KITCHEN

Gary, Deb, Wyatt, Hilly, Chet and Lisa are in the kitchen.
Lisa's very casually explaining everything.

LISA

CHET

It's Chet, chippie.

LISA

LISA

This is a Pershing missile, Chip.

She pats the missile.

CHET

It's Chet and I don't give a shit what it is.

He walks to the pantry and opens the door.

CHET

Hi, Nana, hi Grampy.

He grabs a pack of cigarettes and closes the doors, thinking nothing of his frozen grandparents in the pantry.

CHET

(continuing)

I'm not a moron, you know. I...

at the pantry)

Was that my grandparents?

Lisa nods with a smile. Chet walks back to the pantry and opens the doors. He stares at Henry and Carmen.

CHET

(continuing)

Are they alive?

Lisa nods.

CHET

LISA

I put them there. I didn't want Wyatt and Gary to get in trouble. They wouldn't understand.

Lisa slips down off the counter.

LISA

(to Gary and Wyatt)

Why don't you guys take the Porsche
and get the girls home. I want to talk
to Chet.

WYATT

We won't all fit and I'm not riding
in the back seat.

LISA

Gary, you can take the Ferrari.

CHET

What Ferrari?

LISA

Come on, you guys, Go!

CHET

Come on guys go. Their parents are
probably worried sick. But don't leave
the state. Lady, I want to get to the
bottom of this ASAFP.

LISA

So do I.

Gary, Deb, Wyatt and Hilly exit. Lisa puts her hands on his
waist.

LISA

I want you to promise to keep your mouth shut about everything that's happened this weekend. And I want you to get off Wyatt's ass permanently.

CHET

What'll you give me?

LISA

I don't bargain for basic human gestures.

CHET

Business is business. Ask Malcolm Forbes.

LISA

True. And brotherhood is brotherhood. I'll put it to you simple, Chet, give me your word or you'll regret it.

CHET

(chuckles)

Oh, really?

LISA

Chet, I can be a real serious bitch if I don't get what I want.

CHET

I'll bet you can.

WYATT

Hey, Hilly? You know what?

Hilly silently answers.

WYATT

Hilly throws him a kiss and goes inside. Wyatt sighs. The lawn

This isn't my car. This isn't my suit.
That wasn't my house. None of those
people were my friends. I'm somewhat

DEB

Why are you telling me all this?

GARY

I just want to make sure you like me

DEB

Whatever you are, I like it.

CHET

It's a deal.

LISA

WYATT

Did you see Chet?

LISA

Sure. I made him everything he is

WYATT

He's my brother, Lisa. He's a moron,

He'll be o.k. for Halloween but he'll

LISA

He'll be fine in half an hour or so.
And believe me, he won't bug you

Gary takes Lisa's hand. He sits her down on the bed. Wyatt
sits on the other side of her.

GARY

Lisa, we have to talk to you.

WYATT
It's important.

LISA
Fire away.

GARY
We...

WYATT
Love...

GARY
We love you very much.

Lisa smiles warmly. She pats both their knees.

GARY
(continuing)
And we appreciate you, too.

WYATT
And respect.

GARY
Respect, appreciate and love you.

WYATT
You've had a serious impact on our
lives.

LISA
I hope so.

GARY
I don't quite know how to put this.

WYATT
Me either.

LISA
Let me give it a shot.

GARY
Huh?

LISA
You guys found girlfriends, right?

Gary and Wyatt look at each other, puzzled.

GARY AND WYATT
No.

LISA

You fell in love with the two girls
and they fell in love with you.

GARY AND WYATT

That's right.

LISA

That's all I ever wanted for you.

GARY

Seriously?

LISA

Seriously. Before I came here, you
were a couple of ridiculous dweebs,
hopelessly beating out cold, empty
fantasies on a computer. Look at you
now. You're a couple of human beings.

WYATT

That's nice of you to say.

LISA

It's true.

(pause)

Listen...

Boys lean forward.

LISA

(continuing)

Woman are flesh and blood. They aren't
pictures in magazines or ingredients
for perverted dreams. If you spent
your whole life believing that you'd
be no better than your fantasies and
guys, let me tell you, they were
seriously gross.

Gary and Wyatt lean back.

LISA

(continuing)

It's over. You learned a few things,
you're better people and I feel great.

GARY

You're not hurt?

(CONTINUED)

354 CONTINUED (3)

LISA

Of course I am. But would I change it?

(shakes her head)

No.

WYATT

If you want me and Gary or just me or just Gary, you can have us. Right, Gary?

GARY

Sure.

LISA

That's real sweet but I'm getting off just fine seeing you guys get straight.

She wipes away a tear. Gary sniffles. Wyatt starts to cry.

LISA

(continuing)

Don't do this to me. I gotta go.

(stands up; sniffing)

Let's be real brave, okay?

Gary and Wyatt nod. Lisa kisses both of them and embraces them.

LISA

(continuing)

I had a great time.

She reaches over and switches on the computer.

GARY

Are you gonna be all right?

LISA

Sure.

WYATT

Are you going to cease to exist?

Lisa chuckles and shakes her head.

LISA

Not for awhile.

She walks to the bathroom door.

GARY

What's gonna happen to you?

355 CLOSEUP - LISA

355

She smiles and gives them a wink.

I'm going to Vegas.

The fog swirls up to engulf her. She throws the boys a kiss.

Nothing much.

GARY

Stayed around the house.

FATHER

The place looks fine.

WYATT

Why wouldn't it?

MOTHER

Daddy had this crazy notion that you guys might throw a party or do something nutty.

GARY

Not us?

WYATT

Not here.

GARY AND WYATT

No way.
